3C, Three Pillars

TFE's growth strategy is built on technology leadership, customer expansion, and capacity readiness.

Tech-driven Capability

Strengthen core technologies and innovation to deliver differentiated test solutions.

Customer & Market Diversification

Expand into high-growth markets and diverse customer segments to drive sustainable growth.

Capacity Investment

Invest proactively in facilities and infrastructure to support future demand.

Driving the Future Test Solution

Graphic Card

One & Only Semiconductor Total Solution Provider

TFE delivers end-to-end test interface solutions with unmatched performance and reliability.

SI Simulation
PI Simulation
Thermal Solution
+ x6 Multiplier

P Complexity, Functionality, Reliability

Delivering higher value through integrated technology and innovation

Q Required Quantity and Demand

Meeting growing customer demand with scalable and dependable supply

Appendix Financial Statements Summary

Summary Balance Sheet

(Unit : KRW 100 million)
